Sourcebooks Fire. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 8.3in. x 5.4in. x 1.1in. I love Emily. Madeleine L'Engle Finding a Place to Belong Orphaned after her father's death, thirteen-year-old Emily Starr is sent to live with her snobbish relatives at New Moon Farm. At first, Emily is miserable under all the rules from her stern Aunt Elizabeth. And being the new girl at school is not easy. At least New Moon provides plenty of material for the short stories she loves to write. With her quick wit and lively imagination, it's not long before she finds friends in tomboy Ilse and artist Teddy. And even though Emily can't seem to stay out of trouble for long, New Moon may just start to feel like home after all. . . This new edition of a classic favorite restores the original, unabridged text and includes an all-new, exclusive introduction with special memories from L. M. Montgomery's granddaughter. What Readers are Saying: For the millions of girls who love Anne of Green Gables, this series provides a glimpse at another girl who is just a little different. Although I love Anne of Green Gables, Emily of New Moon is my favorite creation of Lucy Maud Montgomery. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
