The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

America Star Books. Paperback. Book Condition: New. Paperback. 138 pages. Dimensions: 8.4in. x 5.5in. x 0.3in. I was born on the outskirts of the Shepherds field to Palestinian parents who, in 1948, fled their properties in Jerusalem fearing for their life in light of the slaughter of Palestinians at the hand of Israel's terrorist groups. After completing my secondary education in Bethlehem, I came to Canada to complete my higher education. Even though I only carried a Jordanian passport and later a Canadian passport, I remain a Palestinian citizen at heart. While at the university, I completed a Bachelor of Arts degree in Psychology and Political Science. A Bachelor degree in Education, a certificate in Hotel and Restaurant Management and later completed a Masters of Arts degree in Political Science. I am currently 15 credit hours short of completing a Bachelor of Social Work degree. I have had the idea of writing this book for many years, however and due to life's circumstances, my idea did not become reality until now. The fact that I chose the psychological theory as a base to resolving this complex political problem is due to the drastic failure of the previously applied political or military approaches. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
