Continuum International Publishing Group Ltd., United Kingdom, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Most Christians are familiar with the story told in Mark's gospel-- from the fishermen leaving their nets, to the miracle of the loaves and fishes, to the political rumblings and the crucifixion. But no one knows who Mark really was or why this gospel was written or why it's charged with such a sense of immediacy. For noted Jesus scholar Marcus Borg, reading Mark is like meeting Jesus again for the first time. Individual readers and parish study groups will learn about this earliest gospel from the perspective of an important Anglican theologian. Conversations with Scripture is the umbrella title of the Anglican Association of Biblical Scholars Study Series. Written in accessible language and sensitive to those who have little or no experience in reading the Bible, each book in the series focuses on exploring the historical and critical background, plus modern application of the texts. Other books in the series focus on the Gospel of John, Revelation, the Law, the Parables, and 2 Isaiah.
