Fifth Estate, Incorporated. Paperback. Book Condition: New. Paperback. 364 pages. Dimensions: 8.0in. x 5.0in. x 1.0in. Dr. David E. Martin, U. S. Congressional and E. U. Parliamentary policy adviser in global finance and ethics, came to international notoriety for his data analysis in his disclosure prior to the global financial crisis in 2008. His real-life insight and witness to corruption in the highest places has given way to a novel about the truth that befalls us. In a world where people have control in only the most mundane daily decisions, there are those manipulating nations at the highest levels. They are thieves of empires and emperors of the world. Race across the globe with Dr. Cyrus Alexander as he roars to life in David Martins inaugural novel. From the windswept steppes of Mongolia to the sweltering desert of Dubai to the rooftop bars of Manhattan, this epic thriller weaves the global political events of the past twelve years into a tapestry so close to believable that it will leave you wondering where the line between fantasy and reality is drawn. The audacity of stealing all of the G-7 assets right out from under the noses of the worlds self-proclaimed elite is so amazing it would not have to be hidden. No one would believe it. A conspiracy to overthrow those powerful men alleged to be the puppet masters of the world goes beyond the imagination of most, leaving names like Rockefeller, Morgan, Kennedy, Rothschild, Oppenheimer, Blankfein, and Goldman scratching their heads. The manipulators are manipulated as power flows rapidly up to the shadowy, cloud-covered pinnacle of lies and deceit. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
