

I Have Autism.What ll I Do Without You, Mom?: How to Prepare for When Your Special Needs Child Outlives You (Paperback)

Filesize: 2.37 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

I HAVE AUTISM.WHAT LL I DO WITHOUT YOU, MOM?: HOW TO PREPARE FOR WHEN YOUR SPECIAL NEEDS CHILD OUTLIVES YOU (PAPERBACK)

Mountain Star Publishing, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.How comforting would it be for you to know that you can help your adult child live well after you are gone? I believe this knowledge would be a great relief to you- and that is why I wrote this book. When Brandon, my 40-year-old autistic son, said, I don t know what I would do without you, Mom, I knew I had to create a detailed written plan for his future. I have created a comprehensive, step-by-step plan and a personalized Instructional Care Manual for you to complete so that others can take care of and help your child live well. I will show you how to find the right people to stand in for you by creating a network of supportive individuals who can assist and be an advocate for your child. My Step-In Parenting Network program (SIPN) will help you identify potential step-in parents who can continue to love and care for your child when you no longer can. I ve also included detailed chapters on independence because what you do today to help your child reach maximum independence will affect the quality of the rest of his or her life. Working on letting go of a special needs adult child is a sensitive area that many parents are afraid to face head on. However, the more your child knows and can learn to do, one step at a time, the easier it will be for your son or daughter to continue on. We cannot pretend that our children will be magically taken care of in the future if we don t do something about it today. This is why the Instructional Care Manual...
