House is little known or remembered today; yet he was one of the most influential figures of the Wilson presidency. Wilson s chief political advisor, House played a key role in international diplomacy and had a significant hand in crafting the Fourteen Points at the Paris Peace Conference. Though the intimate friendship between the president and his advisor ultimately unraveled in the wake of these negotiations, House s role in the Wilson administration had a lasting impact on twentieth-century international politics. In this seminal biography, Charles E. Neu details the life of Colonel House, a Texas landowner who rose to become one of the century s greatest political operators. Ambitious and persuasive, House worked largely behind the scenes, developing ties of loyalty and using patronage to rally party workers behind his candidates. In 1911 he met Woodrow Wilson, and almost immediately the two formed what would become one of the most famous friendships in American political history. House became a high-level political intermediary in the Wilson administration, proving particularly adept at managing the intangible realm of human relations. After World War I erupted, House, realizing the complexity of the struggle and the dangers and opportunities it posed for the United States, began traveling to and from Europe as the president s personal representative. Eventually he helped Wilson recognize the need to devise a way to end the war that would place the United States at the center of a new world order. In this balanced account, Neu shows that while House was a resourceful and imaginative diplomat, his analysis of wartime politics was erratic. He relied too...
