Brand New Book ***** Print on Demand *****.Bullycide Box SetHave you or someone you know been a victim of bullying?The Devastating Effects Of BullyingChildhood bullying is on the rise, according to some studies, but can it actually cause death? According to the CDC, suicide accounts for 4,400 deaths per year in young people. This, of course, doesn't take the number of missed suicide attempts into consideration. A Yale University study found that those who are being bullied are estimated to be between 2-9 times more likely to contemplate suicide than those who aren't being bullied. ABC News reported that every day 160,000 kids stay home from school due to fear of bullying.Many high-profile bullying cases have garnered attention to the link between bullying and suicide across the globe in recent years. While, in the past, bullying could easily be brushed off as kids being kids or just a part of growing up, it can no longer be ignored. From children being bullied for their sexuality to the types of toys they play with, it's becoming a very real problem that can't always be brushed off by ignoring the tormentor.The New Age Of BullyingSocial networking sites and texting have been blamed for the recent rise in bullying, especially since these add a level of anonymity not felt or seen in the past. Pictures, messages, and posts can spread like wildfire and what goes on online can infiltrate the classroom and the real world. In the following book, we'll go over some of the most recent child suicide cases instigated by bullying. While most cases are those who were teenagers at the time of their deaths, some have been as...
