Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Dark Heart: The Story of a Journey into an Undiscovered Britain, Nick Davies, This all began quite unexpectedly one rainy autumn evening a couple of years ago in a fairground near to the centre of Nottingham.' In amongst the bright lights and bumper cars, Nick Davies noticed two boys, no more than twelve years old, oddly detached from the fun of the scene. Davies discovered they were part of a network of children selling themselves on the streets of the city, running a nightly gauntlet of dangers: pimps, punters, the Vice Squad, disease, drugs. This propelled Davies into a journey of discovery through the slums and ghettos of our cities. He found himself in crack houses and brothels, he befriended street gangs and drug dealers. Davies' journey into the hidden realm is powerful, disturbing and impressive, and is bound to rouse controversy and demands for change. He unravels threads of Britain's social fabric as he travels deeper and deeper into the country of poverty, towards the dark heart of British society.
