Adams Media Corporation. Paperback. Book Condition: new. BRAND NEW, 101 Things Everyone Should Know About Theodore Roosevelt: Rough Rider. President. American Icon., Sean Andrews, The inside story of Teddy's life and presidency! You probably know that Theodore Roosevelt was the 26th president of the United States, but did you also know that he suffered great bouts of homesickness? Or that he carried a vial of morphine at all times in case he ever needed to take his own life? Though the image of President Theodore Roosevelt is one of fringed suede jackets and wire circles of glass framing a serious and scowling face, the man behind this image was a spectacularly intelligent and complex individual. 101 Things Everyone Should Know about Theodore Roosevelt explores the nuances of his famous life, giving little-known facts that complete the picture of Theodore Roosevelt. From his crippling childhood to his involvement with the Rough Riders, this book celebrates the American icon whose beliefs are still riveting almost 100 years after his death.
