Revelation 10;7 They murdered Duke Nolan s family. They stripped his brain naked. They should ve used a bomb. A black hole forms at the Pentagon; thousands of airplanes drop from the sky; Earth s core obliterates New Zealand; and a blizzard strikes Vatican City in mid-June. Things are about to get a lot worse when it s all-out war between God, the US military, science, evolution, an alien civilization.and Duke Nolan. At stake? The extinction of all humankind. Nineteen year old Duke Nolan is a born loser until one fateful night when he comes face to face with the harshest reality any person could possibly endure. That night Duke is set on a collision course to save Earth from the maniacal plans of a madman.who also happens to be the US secretary of defense. Shoulder-harness yourself to your chair and hold on to your loved ones while Michael Allen Hunt s debut about the future of Earth rides the rails of complete annihilation. Thirty-seven years pass since that fateful night, and Duke keeps it a secret from everyone except his wife and three children. One day, top secret military files mysteriously show up on his home computer, and Duke learns that the US Air Force has built a spacecraft and hidden it below Wright-Patterson Air Force Base in Dayton, Ohio. Now the nightmares of his past come crashing down on him, and Duke immediately realizes what...
