Visitors to the mosque at Cordoba are plagued by the tricks of three naughty boys: Rashid, who is Muslim, Samuel who is Jewish and Miguel who is Christian. One day, they go one step too far and as a punishment, they are forced to work in the mosque gardens, where they develop a deep sense of the building s beauty and significance. Many years later, when the Christian king threatens to demolish the Islamic Mezquita and build a church in its place, the three friends reunite to hatch a plan to save the great mosque. Ann Jungman s story demonstrates what can be achieved when people work together and don t waste energy hating each other.
