By Krogh, David

Benjamin Cummings, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!

Summary: This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value for your students—this format costs 35% less than a new textbook. David Krogh's *Biology: A Guide to the Natural World* leads readers on a memorable journey through the world of biology, using relevant examples, clearly-developed illustrations, and helpful insights that will resonate with you. The Technology Update features margin callouts in the text, directing you to a significantly more robust MasteringBiology program, introducing learning outcomes, book-specific animations, end-of-chapter material, new vocabulary activities, ABC News videos, and more. Widely recognized as a book that students enjoy reading, David Krogh uses discussions about social concerns and health applications, along with streamlined EOC material, to help engage you with the chapter. To address different learning styles, clear illustrations and exercises are now reinforced with even more engaging and effective assignable problems in MasteringBiology. This package contains: Books a la Carte for *Biology: A Guide to the Natural World Technology Update, Fifth Edition*.
