Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Coloring books will never lose their appeal - whether you are a pre-kindergarten toddler to the mature adult who is looking for something simple to play with for a solitary pursuit that provides artistic pleasure. This coloring book has the intensity of design in the mandalas, but also the simplicity of simple Zentangles that allow the reader (and budding artist) to pick and chose their favorite design, and then use colored pencils, markers, acrylics, or even crayons to add their own brilliant color combinations. These designs were created using digitally manipulated images from the artist s hand-drawn original Zentangle sketches, to result in graphically complimentary black and white spaces with loads of potential for adding color. How can BIG KIDS (regardless of chronological age) use this coloring book? Whether the co-artist uses crayon, marker, or colored pencil - or a combination - the beautiful results can be used to pass the time, using your hands in a creative way, or to set the stage for a craft or art project. Once the designs are filled in with color - give the books as gifts, use the pages as scrapbook background art, or cut out the designs and use them in multi-media art pieces. The possibilities are endless!
